Je ne pense pas que j'ai jamais reçu un meilleur service n'importe où. Si j'ai besoin jamais de n'importe quoi encore, deSignet sera le premier, et seulement endroit que je vais!*

Je veux remercier chacun plus d'à deSignet de toute leur particulière attention, amical, et à service prompt.

Bien que mon mari et moi aient déjà été mariés, nous avons projeté un reception/celebration avec nos amis et famille 1999 le 3 juin. Mon mari a voulu une bande celtique de mariage d'" noeud " d'or... mais je juste n'ai pas eu l'argent pour obtenir un alors. Bien, il ne m'a pas frappé jusque à 2 semaines avant que je pourrais l'étonner avec une à notre réception. J'ai pensé, pas un problème, je suis de Sacramento, CA là doit être un bijoutier ici quelque part qui peut m'aider. Après 3 jours et les 2 semaines venant à une fin et à AUCUNE boucle... I a pensé que (comme je travaille pour un fournisseur Internet) j'obtiendrai en ligne et essaie pour trouver quelqu'un qui peut aider.

Encore 2 jours passés et je l'ai tourné partout serais un retard de la semaine 6-8 pour la commande.

Maintenant je sais que c'était vraiment mon défaut pour attendre ainsi longtemps... mais j'ai été déterminé. Après que sans fin les websites celtiques j'ai débarqué à www.raru.com le site regardé très honorable, avec beaucoup d'histoires du client satisfaction/success, et à grandes images des boucles (assez grandes pour voir la qualité des boucles).

*Le 25 mai: ****time-out**** je appeler dedans pour voir si mon demande pouvoir remplir par jour partie et dire que quoique boucle devoir fait sur commande si je disposé pour payer durant la nuit expédition honoraire pouvoir faire... ainsi je placer commande:)*

Le 27 mai: J'ai obtenu une confirmation d'email dis que tout allait bien, le bateau pour adresser, et une image de ma boucle.

Le 28 mai: À ma surprise j'ai reçu la boucle et avec plusieurs jours pour épargner. J'étais eternally greatful car je n'ai pas voulu attendre sur des broches et des aiguilles le jour avant de se demander si la boucle arriverait:)

Les mots ne peuvent pas exprimer la beauté en cela boucle main-ouvrée. Elle était plus que j'ai prévu de la qualité et à un prix je pourrais me permettre. Je vous remercie tout à deSignet profondément de toute votre particulière attention afin de rendre ce jour bien plus spécial pour lui et pour moi. Vous des types êtes le

plus grand et je serai de retour bientôt pour une boucle pour me... une boucle assortie... et je promets de vous donner plus de temps sur celui-là.

--- **Kelie (5/99)**

Ainsi vous pouvez être audition de moi encore! Merci encore,

--- **Jennifer (5/99)**

Les boucles sont arrivées ce matin - merci tellement du service courtois et rapide! Je les ai prises au travail pour montrer que mes collègues et chacun a été étonné par la qualité, le poids et l'art des boucles. J'ai même recommandé votre compagnie à d'autres au travail. Merci encore!

--- **Christin (5/99)**

Mon papa m'a dit ce soir qu'il a reçu les nouvelles boucles que vous nous avez envoyés aujourd'hui. Je suis ainsi passionnant!! Il va être difficile que je ne porte pas le mien avant le mariage! Vous devriez recevoir les

*autres au début de la semaine prochaine. Merci tellement de votre conseil et **service très utile et rapide.** Avoir affaire avec vous a certainement été un des parties plus faciles de nos plans de mariage. Tant d'autres personnes que nous avons traitées -- des photographes, videographes, planificateurs de réception -- avons été si difficiles et décevants. Acheter ces boucles était sans aucun doute la moindre chose stressante que nous avons faite. ****time-out**** je initial très sceptique au sujet acheter tel important morceau jewelry au-dessus Web, et aucun autre compagnie qui je faire enquête à distance comme prompt ou utile. Il est évident que ***** TRANSLATION ENDS HERE *******excellent customer service** is a great priority with you. It has been a great pleasure dealing with you, and I would gladly refer you to anyone who would ask me about wedding bands or other jewelry. We are both quite pleased with the ring. It is much nicer than the men's ring we found on the market.

--- Lauren (3/99)

*I just wanted to let you know that I received the ring I ordered on Saturday 2/20. **It is beautiful. In fact, my daughter liked it so much she wants to order one.** I'm having her get her ring size checked. I will get back to you when I have this information. **Thanks for all you help. Your friendliness and quick response has already made me recommend you to friends of mine. Thanks again.***

--- Gay Anne

*I got the ring on Valentine's Day, and **it is absolutely gorgeous! You did a phenomenal job.** I had assumed that the ring would have an asymmetrical design as the knot is asymmetrical, but I love the way you reworked the design in back to make both sides mirror. I also like that all the knots are unbroken--I thought the last two would be. **You did so much more than I expected, and I am deliriously happy with the ring. The only unfortunate thing is that when I'm in school, I don't see any of my friends to show it off to!** I actually had to schedule a lunch with my maid of honor for her to see it. **Everyone thinks it's incredible. I think my grades may suffer a bit, though, because I can't keep my eyes off of it and on the chalkboard in class! Thank you so much, and we'll be contacting you in a few months about the wedding rings!***

--- Sherry (2/99)

*We got the rings on Friday (2/5) just as you predicted and **they are beautiful and fit great! While most others are walking around with ordinary, boring, predictable, conformist diamond engagement rings we have rings that truly symbolize and represent our feelings and committment. Thanks so much for all your help.***

--- Jennifer (2/99)

*I received the ring on Friday, **I love it!. Great work, nice clean lines and nice weight to the silver. I am very happy. Thanks again!***

--- Kristy (2/99)

My wedding rings far exceeded my expectations and even though I had only ordered silver rings I was treated with as much attention as someone placing a large order

--- Celeste (1/99)

I just wanted to thank you for your great work on a ring I ordered as a birthday gift for my best friend. Your suggestions made the ring design even better than I imagined. *My friend just loved all the special items on her story ring. I have a Celtic rune ring that I wear everyday. **You guys are great. Just wanted to thank you and I know I will be ordering from you***

again in the future !

--- Debby (10/98)

My mothers ring is beautiful! Thank you for making it beautiful & unique ! By the way I got a call from S. Carolina and my daughter -in -law was absolutely thrilled with her " dove & cross" earrings. A perfect birthday gift.

--- Jo Ann (10/98)

Dear Reg and Bob,

*Last Sunday Doug and I got married in Wyoming, NY. The day went perfectly and our guests were impressed with the site, the music, the food, even with our wedding rings. Everyone remarked on **how unique they are, and I took great pleasure in pointing out how the design was actually our initials and wedding date, entwining and circling the rings.** Naturally, everyone wanted to know where we had them done. When we told them that your place was on Grand Island, they wanted to know how we heard of you. They were very surprised when we told them it was the Internet, which is, in our opinion, the best place to shop!*

We live just south of Rochester where there is a plethora of those "average" jewelry stores. They're always advertising how people come from all over the country to purchase jewelry here, and I can't imagine why. Both of us were not impressed with the designs or the prices and decided that your place would be worth the drive to Grand Island after checking out your website.

As you know, we were not disappointed and enjoyed meeting and talking to you and your staff. Everyone was so nice and helpful. *We even "explored" Grand Island and the other businesses during both trips to your place. I made use of your other website featuring the sights and businesses of Grand Island to learn about the area.*

Thanks again for your profession artistry in creating a lifelong symbol of our love and vows we made together. We feel that as a unique couple, we deserved something above the ordinary. Thanks for making that possible. *Sincerely,*

Doug and Jill

*I wanted to duplicate my grandmother's ring with a slight twist, and you were able to do it. **I just love the***

way it came out. It gives me the feeling of having something of hers while it being my own. I can't thank you enough for all your patience with me on trying to get this ring together. The ring is more than what I expected. Thanks again.

--- Robbin

I greatly appreciated the extremely helpful and courteous help I received from your company for getting to me custom made cufflinks (trombones) for my husband by our wedding date. Thanks for your hard work!

--- Joy, Castle Rock CO

I just want you to know I LOVE my new pin. I am becoming your biggest fan! The bird necklace is nice as well. Thank you. You also do a great job packing!

--- Rebecca

I just wanted to let you know that the BEAUTIFUL cameo arrived today. You were right; it is 100 times better than the picture. I am so pleased and will leave you positive feedback. I will certainly look for your items again! Thanks so much and good luck with continued selling on ebay.

I don't know if you will remember us, but we are finally stealing away a few moments to THANK YOU for the wonderful job you did on our engagement ring!! We had the "rollercoaster" design with the dual-colored roses on the sides - and with your help, one of the most stunning diamonds I have ever seen. As long as I can remember, we wanted "something different" as an engagement ring - something that would reflect our love for one another - something that no-one else would have. And that is exactly what you were able to do for us. Not only were you patient time after time, but you devoted a lot of time and energy into making this ring exactly what we wanted. We were often vague, and you gave us wonderful ideas to work with. Before we received the ring, I was telling myself, "don't expect what you have envisioned - it will never meet your expectations" - but when it came - it was even prettier than what I had expected!! Needless to say, I am 100% satisfied and constantly get comments on

how beautiful the ring is (and it's been 9 months since we got engaged). As a matter of fact, I have a friend that was recently engaged which has close to a 3ct ring (mine is .65ct)- absolutely stunning - but she commented how much more she liked mine because of it's originality. And I feel that way too. **It wasn't a matter of money (although you worked with our strict budget) - you cared enough to make the ring of our dreams. I can't say enough about your quality and kindness. Please feel free to share our comments with anyone who has doubts - or give them my name and number - I will, without hesitation, confirm your reputation!** Thanks again,

*I wanted to thank the designer for the Gimmel ring I received last Friday. My wife loves it. **It made her birthday a special one. Thanks for all the help and suggestions. Thanks Again.***

--- Chuck

*We just got the rings yesterday, and **they look GREAT!** We tried them on, and they fit just fine. **Thank you so much for doing such a wonderful job.** I am still a little torn about oxidizing the recessed parts of the ivy band, but I think that I like it the way it is. **We're both very happy.***

--- Laura

THANK YOU, THANK YOU, THANK YOU!!! My ring is so beautiful!!! I knew that it would be pretty, but I had no idea it would be THIS pretty! I have received so many compliments! I just wanted to let you know how much I love it! See you soon for the wedding bands.

--- Tamie and Jeff

*I received my Combat Infantry bracelet the other day. **Gentlemen, I almost cried at the sight of it.** To see an exact replica of a long tarnished possession, as a gleaming piece of jewelry truly overwhelms me. **Your artistry and work will be on display every day. It fits perfect and is comfortable. I thank you from the bottom of my heart for your effort, talent and willingness to produce this beautiful piece for me.***

--- Francis

**We were both very pleased ... no ECSTATIC
..when the rings arrived. The rings are BEAUTIFUL
and just what we envisioned!** *We always have a smile
on our faces when we tell people not only that we met
online but our rings were custom designed by a
company we found online. We will definantly be using
Designet for future custom work.*
